

Support the Country Day School

Don't forget there are several ways to help support our school.

- **Collect Box tops**

- **Recycle paper and cardboard**

Bring all paper and cardboard to the recycling dumpster on campus

- **Recycle ink cartridges and cell phones**

Collect and save all printer/copier ink cartridges and cell phones and turn them in at the school office or email Tricia Love (plove6@satx.rr.com) for more information

- **Shop online using links on the school website**
